**IT'S A
FREEDOMS
PRINCIPLE**

**People LOVE it
Monopolists HATE it
Innovation THRIVES in it**

Our Mission

Our Mission

**Best Open Access
Telecommunications
Network
for Opportunity Creation
in New Zealand**

Shifting Limits

- Open Access fibre optic links (1995)
- Public LAN (1996)
- Peering Exchanges (1996 onwards)
- Web Cams (1996)
- City Area WiFi (2001)
- Caching and Distribution network (2005)

Challenges

Open Access Spectrum
International Interconnects
Small Country Scale Investment
Involving 'The People'
Delivering True Benefits
